Correction: Cellular cytotoxicity is a form of immunogenic cell death

Minute L, Teixeira A, Sanchez-Paulete AR, *et al.* Cellular cytotoxicity is a form of immunogenic cell death. *J Immunother Cancer* 2020;8:e000325. doi: 10.1136/jitc-2019-000325.

Since the online publication of this article, it was noticed that notes to production were left in the main text. These have been removed and the reference 'Jaime-Sanchez P, Uranga-Murillo I, Aguilo N, et al Cell death induced by cytotoxic CD8+ T cells is immunogenic and primes caspase-3-dependent spread immunity against endogenous tumor antigens *Journal for ImmunoTherapy of Cancer* 2020;8:e000528. doi: 10.1136/jitc-2020-000528' has been added to the article.
